Administration

In order to guide a student in his attempt to become an educated person, a school must have an administration which has a sincere interest in the progress and development of the student. The board of education, the superintendent, the principals, and the faculty unify and coordinate the entire school program in a manner that creates harmony and efficiency throughout the entire school system.

School Life

The activities, the parties, the proms -- these are the memories we will cherish through the years. These are the things which make us loyal to our alma mater. This feeling is so well expressed by our school song.

"It's J. C. H. forever, firm together stand.
Eagles true and faithful,
Stand all ye we'll face the world so fearlessly.
And through the days that follow,
We'll pledge our loyalty.
For it's J. C. H. with all our might.
We'll fight for victory."

Organizations

An education should involve more than regular classroom work. Our extracurricular activities afford ample opportunity for the development of one's talents and a variety of experiences in many fields. These activities develop a spirit of democracy by learning to work together and to accept responsibilities.

Athletics

The training of the body plays an important part in the building of a well-rounded individual. The spirit of sportsmanship and cooperation developed on the football field, in the gymnasium, and in physical education classes will help Eagles to excel in diverse fields after leaving "the nest". We take our hats off to our wonderful coaches and teams who made this season such a rip-roaring success.

Coach John Thurman

After a very slow start, the Eagles enjoyed a rip-roaring season in 1960 with seventeen wins and only seven losses which gave them the District Championship.

Johnson City defeated Harper 50-46 in the Bi-District game. This victory sent the team to the Regional tournament at San Marcos. The Eagles defeated Copperas Cove 56-49 in the first round. This placed the team in the Regional finals. The Eagles met Kyle and lost in a hard-fought game.

Girls' Basketball

The Johnson City girls' team ended the basketball season with the title of District champs. This is the second year in succession that the girls have captured the title. This was a new record for our school. The girls won the title by defeating Lometa at Burnet. Our season's record was 14 wins and 10 losses. The team went on to Bi-district to be defeated by Medina.

Dear Friends,

We are so very glad your group visited with us at Central Methodist Church last Sunday. It was an honor to have such a fine group of young people and their sponsors visit our service.

We hope that a blessing was received from the service and that whenever any of the members of your group are in Galveston, and have the opportunity, they will visit with us again.

We wish for the members of this fine Senior Class, the best of everything and may God bless each of you who visited with us last Sunday.

Yours, in His Service,

Galveston, Texas

May 7, 1960

To Whom It May Concern;

The Coronado Courts wishes to let the Principal of the Johnson City High School, the Parents of the Seniors, and the Teachers or who ever else it might be of enterest to, that their Seniors, are one of the best groups we have had to stay at our courts.

They are well behaved, polite, and were not at all destructive.

We were very proud and happy to have them on their Senior trip, and will be very pleased to have them stay with us again.

The Parents and Teachers should be, and I am sure they are, proud to have such a nice group of boys and girls graduating this year.

We wish to extend our congratulations, and hope that these boys and girls have a happy and prosperous future, as they go out into the world as young men and women.

It has been our pleasure to meet you all, and we hope this time next year, we may be able to have your Seniors of 1961 stay with us.

Cordially yours,

Betty Keleman
